Ah...

Where is this.

Am I dead..

Am I in Heaven?

GAH, IT'S HELL!

COME HERE

What is this. I'm scared.

I haven't even done anything particularly wrong. To become like this because I gave a cat on the road some candy.

Are you giving him away too?

A man and a cat were hit by a bus out front.. So they brought in the cat but it's unharmed, just unconscious.

Huh? They're talking about me..

A neighbor said... The man died..

Died...

...

No way...

But... No matter how you look at it this is a cat's paw..

Uhm..

Could I take him with me...?

Ah...

Eheh..

To think I'm a cat.. A cat.. Me..

I feel much better.

Kids~ Your friend is here!

Huh? Kids..?

What?

SHE GOT DUMPED AGAIN!

They met.
